Jonathan and Dale,

I think we need to have a meeting so I can update you on where this is, with particular emphasis on the involvement of our Attorney General. I'd like to have this conversation early next week, but I'm in an evidentiary hearing through at least Wednesday. Are you open on Thursday or Friday next week? I'm open beginning at 11:30 on Thursday. On Friday I can make myself available whenever because none of my current appointments are critical.

Jason
